Regional Water Quality Control Board Anything reaching a drain or the Bay	(510) 622-2300
Dept. of Toxic Substances Control	(916) 255-3545

If someone is down in the CO₂ area, do not enter to rescue them. Call 9-1-1, ventilate from outside, and wait for responders — carbon dioxide displaces oxygen and a rescuer becomes the second casualty. **Every work injury** is reported to a supervisor the same day; a DWC-1 claim form is provided within one working day.

Posted under 8 CCR § 1512(e) / DIR workplace-postings list. This is our completed version of the Cal/OSHA S-500 fill-in form. Verify these numbers whenever a contact changes.
